

How to deposit money in to FinBee?

To make a deposit please transfer funds to CMA account. Bank transfer must be made from your personal EU bank account.

Receiver: UAB „Finansų bitė“

Company code: 304051511

Bank name: AB „Citadele“ bankas

SWIFT code: INDULT2X

Bank account number: LT857290000000141859

Unique reference: Your username

After the first deposit your bank account will be linked to your FinBee account. This means that deposits will be accepted and withdrawals will be made to your linked bank account only. When you set up this transfer with your bank, you must include the unique reference as shown above.

There are no fees applied for deposits or withdrawals by FinBee.

Please note, that the money will take from a couple of hours to one working day to transfer.
